

TOWN BIKE AND PEDESTRIAN SURVEY

Dear Fairfield Resident,

The Town of Fairfield and the Greater Bridgeport Regional Planning Agency are currently conducting a town-wide bicycle and pedestrian study. The goal of the study is to assess current bicycle and pedestrian conditions in Fairfield, prioritize needs, and develop strategies for making these important modes of transportation and recreation safer and more accessible.

Please become part of this exciting planning effort by taking a few minutes to answer the questions below by July 31, 2010.

1) Mail responses to: Lauren Lanham, 1st Selectman's Office, 725 Old Post Road, Fairfield, CT 06824 or 2) email responses to: llanham@town.fairfield.ct.us or 3) fax to Ms. Lanham at 203-256-3008 or 4) fill out on-line survey at www.fairfieldct.org
Questions? Call Ms. Lanham at 203-256-3030.

Name: _____
Address: _____
Email: _____

- 1) If you currently bike/walk in Fairfield, what routes do you take and why?**
- 2) Where else would you like to bike/walk in Fairfield and what prevents you from doing so?**
- 3) Please list any suggestions you have to improve biking and walking in specific parts of Fairfield.**
- 4) Would you support the use of existing taxpayer funds on bike routes and sidewalks?**

Thank You!
